Trying on a new look

The Macedonian Call is trying on a new look to make it more helpful to you. Instead of articles and paragraphs of text, most of the information about upcoming events will be shown in graphic forms. These infographics will make finding the events of concern to you easier and faster. As before, information will be organized by ministry. Calendars and volunteer schedules will also be included for easy reference. Let us know what you think about the new look by emailing us at office@mbcnewnan.com.
